

# THANK YOU TO OUR SPONSORS

On behalf of the Cuero ISD Education Foundation board of directors, I would like to thank the community of Cuero for its support of the 2024 "Concert for Classrooms," which was held on November 9, at the Cuero ISD Performing Arts Center.

Because of the generosity of our sponsors and supporters, proceeds from the event will benefit Cuero ISD in the form of grants to educators for resources, projects, and programs outside the scope of traditional school funding. Benefits from the proceeds also include helping the Foundation grow its endowment while covering its operating expenses.

I also want to acknowledge and offer our appreciation to the host of volunteers who gave of their time and talent to both help and encourage us along the way.

We continue to be grateful to our Cuero community for the support consistently given to the Education Foundation. We look forward to working together in the future in helping our students and staff become successful at Cuero ISD as we continue to assist in "Making Dreams Come True Since 2002".

With sincere gratitude,  
Christi Fuchs, *Executive Director*  
Cuero ISD Education Foundation
