

Tyler and Melissa McClellan Scholarship

Tyler and Melissa McClellan, proud alumni of Cuero High School, have dedicated themselves to giving back to their community. Tyler graduated in 2004 as Salutatorian, while Melissa graduated in 2003, ranking 3rd in her class. They both pursued higher education at The University of Texas at Austin, where they graduated in 2007. Tyler earned a Bachelor of Business Administration in Finance-Investment Banking, and Melissa earned a Bachelor of Science in Communication Studies-Human Relations with a minor in Sociology.

After completing their education, Tyler and Melissa returned to Cuero to begin their careers. Tyler started his role as a financial advisor with Edward Jones Investments in 2007. Meanwhile, Melissa embarked on her teaching career in 2010, later transitioning to the role of an educational diagnostician with Cuero Independent School District in 2022. Melissa furthered her education by obtaining a Master of Education in Special Education from Lamar University in 2020.

Tyler and Melissa reside in Cuero with their two children, Addison and Austin who are current students at Cuero ISD.

Throughout their journey, Tyler and Melissa have been passionate about supporting students, inspired by the local scholarships they received, which allowed them to manage additional college expenses and focus on their studies. Establishing this scholarship is their way of continuing the community's legacy of generosity, and aiding students as they pursue higher education.
